We cannot let false promises, deception, and lies guide us during Lent.
The serpent in the Garden and the Devil in the desert offer us shortcuts in the spiritual life.
Their words lead to dead ends as Paul might say.
The singular disobedience of Adam and Eve began the sad story of evil entering our world.
Only through one man's obedience can we begin to overcome lies, deception, false promises and death.

Restorative Justice Presentation
A team presentation on restorative justice will be given
at Holy Trinity on Mon, Mar. 10, 7:00 p.m. by four
FOTO (Friends On The Outside) members: Bert Pitzel,
Ruth Robillard, Sr. ReAnne Letourneau, and Rik
McWhinney. Of particular interest will be Rik's first-hand
account of his 34 years in prison and his sharing of the
insights he gained on his journey. Restorative Justice is
an approach to justice that seeks to repair what has
been harmed by crime. It does this by holding the
offender responsible for his actions, and providing
opportunity for victims, the community and the offender
to identify and address the needs they have in the
aftermath of the transgression. Everyone Welcome!

Keep in Mind that Lent has two major purposes:
It recalls or prepares for baptism, and emphasizes a spirit of penance. Through forty days of closer attention to God's word and of more fervent prayer, believers are prepared to celebrate the Paschal Mystery. Lenten instructions stress these baptismal and penitential themes.
