Wedding at Cana in Gallilee

When the wine ran short, the mother of Jesus said to him, "They have no wine."

And Jesus said to her, "Woman, how does your concern affect me? My hour has not yet come."

His mother said to the servers, "Do whatever he tells you."

John 2:1-11

This short and direct statement from our Blessed Mother says all we need to know. **"Do whatever He tells you."**

What else do we need to know in life?

The hard part, of course, is following that advice. It's easy to believe it, to preach it and to commit ourselves to doing everything that our Lord says, but it's another thing to actually follow through and fulfill His divine will.

That short exhortation calls us to two things:

1. To discern what Jesus wants of us and,
2. To freely embrace that which we discern.

So, How are you doing in these two areas?

First of all, discerning the will of God can be hard in the sense that it requires a wholehearted attentiveness to His gentle and subtle voice. God does not impose His will on us; rather, He respectfully and quietly invites us to listen.

He waits until we give Him our full attention and then reveals His will one step at a time. Yes, some things have been made clear already through public revelation such as the avoidance of sin and the embrace of faith, hope and love. But when we are ready to let those general commands enter practically into our daily lives, we must be ready to give God our full attention.

Second, we should realize that God's will, when properly discerned, is not always easy to embrace. He requires everything of us. He is a "jealous God" in the sense that He wants our total surrender. The good news is that if we are willing to give Him everything in total obedience, we will discover that our lives are completely fulfilled.

Reflect, today, upon this twofold invitation spoken by our Blessed Mother. Reflect upon how ready you are to listen to God's will and how ready you are to do His will, no matter what it is. If you are ready for this, you are on the path toward holiness.

Dear Brothers and sisters in Christ,

I wish you once again a Happy and Peaceful new year 2022 under God's protection. May our Lord continue to watch over you and bless you and your family. Recently, I reached out to all of you for donations in order to help pay and reduce the burden of our Church's loan.

I am fully aware of the divisive nature of this loan. I understand how some of you may feel. But as your Parish Priest, I would like us to move on a new path and new beginning. We cannot undo the past, but we can learn from it and move forward on the new path. Until we reduce and pay this loan, the interest will continue to go up and this will be a burden for our Parish development. A burden that we do not want to pass on to others or to our children. That is why I continue to appeal to all of you: let's move out of the past, let's come together and deal with this challenge.

With that said, I would like to express my heartfelt gratitude to all of you for your generous support and contribution to the Building Fund. You all came together and gave generously. We needed to raise by the end of 2021 an amount of **\$50,000.00. We are happy to report that by December 31st, 2021, we collected an amount of \$47,172.11.** We are just \$3,000.00 short of our goal, but this is impressive, and I am grateful to all of you.

Thank you so much for your generosity and much appreciated donation. I pray that God continues to bless you.

Fr. Amédée Ainemon,
Parish Priest
