"The disciples were filled with joy and the Holy Spirit." (Acts 13:52)

The disciples heard Our Lord's call and were able to spread the Gospel message with strength and vitality. We, too, can experience that same joy if we make room for the Holy Spirit to fill our hearts. When we use our gifts in the way that God intends, He fills us with supernatural joy. A joy that others notice and are attracted to!

Why is the Catholic Church against abortion?

Human life must be respected and protected absolutely from the moment of conception.

From the first moment of his existence, a human being must be recognized as having the rights of a person — among which is the inviolable right of every innocent being to life.

Since the first century **the Church has affirmed the moral evil of every procured abortion. This teaching has not changed and remains unchangeable.** Direct abortion, that is to say, abortion willed either as an end or a means, is gravely contrary to the moral law

CCC 2270-2271

The Catholic Church teaches that abortion is the killing of another human person. This is the primary reason why the Church is against it.

The Catholic Church remains one of the few voices left that oppose abortion in the world and is often questioned about it.

Abortion is a direct violation of the commandment of God, **“Thou shalt not kill.”**

At the same time, while the Church is against abortion, the Church tries to **do everything in her power to protect women and support them.** The Church does not think women should be abandoned or discarded, but that the human family needs to embrace all women and care for them when they are in crisis.

The Church is against abortion not because she hates women, but because she believes every human life should be protected and that killing another human person is wrong.

A Prayer in Gratitude for Our Mothers

Good and Gentle God,
we pray in gratitude for our mothers and for all the women of theory who have joined with you in the wonder of bringing forth new life. You who became human through a woman, grant to all mothers the courage they need to face the uncertain future that life with children always brings.

Give them the strength to live and to be loved in return, not perfectly, but humanly.

Give them the faithful support of husband, family and friends as they care for the physical and spiritual growth of their children.

Give them joy and delight in their children to sustain them through the trials of motherhood. Most of all, give them the wisdom to turn to you for help when they need it most.

We acknowledge that we are in Treaty Four Territory, Traditional lands of the Nehiyawak (Cree), Anishinabe (Saulteaux), and Nakota people. Homeland to the Dakota, Lakota and Metis people.

Mission Statement: *We, the Catholic Parish of St. Anne, centred in Word and Eucharist, are called to be a caring faith community; coming together to celebrate God's love and truth through the sacraments, and make Christ present to others through loving service.*
